

Parts Catalog

Armadillo 9X Sweeper Series

Models: 9X & 9XCE

PREFACE

Thank you for your purchase of the new industry standard for sweepers. PowerBoss® takes great pride in offering the most dependable, reliable, and best value in industrial power sweepers and scrubbers. We set the standard.

Our Customer Service Department would like to hear from you. If you see any errors, omissions or something that needs clarification in this Parts Catalog, please let us know. We are working hard towards continually improving our processes--to benefit you, our valued customer.

Please copy the form below, fill out and comment on how you found our manual.

Thank you!

The PowerBoss® Team

This is the Parts Catalog for the PowerBoss® Armadillo 9X & 9XCE Sweeper Series.

This Catalog covers the Armadillo 9X & 9XCE machine variations beginning December 2014.

We believe this machine will provide excellent service for many years.

However, the best results will be obtained if:

- The machine is operated with reasonable care.
- The machine is maintained regularly per the maintenance schedule provided in the User Manual.
- The machine is maintained with PowerBoss® supplied or equivalent parts.

All right side and left side references to the machine (except for engine) are determined by facing the direction of forward travel. The front of the engine or engine fan faces the rear of the machine. Some hardware considered to be common or locally available has been omitted from the parts section to make this manual clear. Be sure to use equivalent hardware when replacement becomes necessary.

The Model and Serial Number of your machine is shown on the I.D. name plate. This information is needed when contacting Technical Support or when ordering parts. The I.D. plate is mounted on the console of the machine, left of the operator and adjacent the main broom adjustment access door.

Example I.D Plates:

Parts may be ordered by phone, fax, or email from any PowerBoss® parts and service center. Before ordering parts or supplies, be sure to have your machine model number and serial number handy. For your convenience Fill out the data block on the next page for future reference.

TECHNICAL SPECIFICATIONS

Model	Armadillo 9X Series
9X Model No.	SW9XKDSL; SW9XKGAS; SW9XKLPG
9X CE Model No.	9XRDSLCE; 9XRLPGCE

DIMENSIONS & WEIGHT

Length	105 in (267 cm)
Width	60 in (152 cm)
Height (machine)	52.5 in (133 cm)
Height (with steering wheel)	58 in (147 cm)
Height (with Overhead guard)	81 in (206 cm)
Height (with Cab)	81 in (206 cm)
Weight (Diesel engine)	4090 lb (1855 kg)
Weight (Gas & LPG engines)	4070 lb (1846 kg)
Minimum U-turn	110 in (280 cm)

SWEEPING SYSTEM

Productivity	184,800 ft²/hr (17,168 m²/hr)
Sweep path.	62 in (157 cm)
Main broom.	48 in (122 cm)
Side broom.	24 in (61 cm)
with Dual side broom	optional 72 in path
	optional (183 cm) path
Hopper type	RTR™ high dump
Hopper volume	21.1 ft³ (0,59 m³)
Hopper load capacity	1100 lb (498 kg)
Dust control	110 ft² (10,22 m²)
High dump	64 in (162 cm)
	include RTR™(Rotary Trash Relocation)

dimensions shown in inches (cm)

	3300307	1	BROOM-SIDE 26" BLACK POLY
	3300311	1	BROOM-SIDE 26" WIRE

* - Standard Broom used on the AM9D-III machine.

Main Broom User's Guide

Proex & Wire - Slightly encrusted soilage & dusty conditions. High heat.

Nylon - General purpose broom with long life bristles.

Poly Proex - All purpose broom that stands up well on rough surfaces.

High Density Nylon - Highly effective for small particle soilage. Severe dust environments.

Crinkle Wire - Stiff bristles for compacted grime, oil, grease or mud. Fair to good broom life.

Natural Fiber & Wire - Good all around broom. Good for high heat applications.

Side Broom User's Guide

Poly - Stiff bristles for aggressive sweeping of mainly heavy litter. Not suited for high heat.

Nylon - Provides longest life. Recommended for tough sweeping jobs.

Wire (flat) - For areas of heavy grease build up or scarifying action. Used in high heat applications.

Comments:

Reservoir to Propel pump inlet.

Reservoir to Aux pump inlet.

Propel pump drivers side to Propel motor port A.

Propel motor port B to Propel pump passenger side.

Aux pump to 3-spool control valve port IN.

Propel pump to reservoir.

Propel motor to reservoir, case drain.

Aux pump to Steering unit port P.

Steering unit to reservoir.

Steering unit L port to port P1 on steering cylinder.

Steering unit R port to port P2 on steering cylinder.

Inlet tee to curb broom out.

Valve port A to curb motor inlet port A.

Control valve outlet to Impeller inlet tee. See hose 13 for details.

From impeller out port to Main broom in port A.

From main broom outlet Port B to filler inlet.

From T port on control valve to filter inlet tee. See hose 17.

From filter outlet to Cooler inlet (top of cooler pack).

From cooler outlet (bottom of cooler) to reservoir.

From control valve port C to rod end of rotate cylinder.

From piston end of rotate cylinder to control valve port D.

From piston end of lift cylinder to control valve port F.

From rod end of lift cylinder to reservoir.

From impeller case drain to reservoir.

WARRANTY

WARRANTY

Revision J
Effective January 2014
PowerBoss Made Simple Industrial Limited Warranty

Minuteman International owner of PowerBoss warrants to the original purchaser/user that the product is free from defects in workmanship and materials under normal use. PowerBoss will, at its option, repair or replace without charge, parts that fail under normal use and service when operated and maintained in accordance with the applicable operation and instruction manuals. All warranty claims must be submitted through and approved by factory authorized repair stations.

This warranty does not apply to normal wear, or to items whose life is dependent on their use and care. Parts not manufactured by PowerBoss are covered by and subject to the warranties and/or guarantees of their manufacturers. Please contact Minuteman International for procedures in warranty claims against these manufacturers.

Special warning to purchaser -- Use of replacement parts not manufactured by PowerBoss or its designated licensees, will void all warranties expressed or implied. A potential health hazard exists without original equipment replacement.

All warranted items become the sole property of Minuteman International or PowerBoss or its original manufacturer, whichever the case may be.

PowerBoss disclaims any implied warranty, including the warranty of merchantability and the warranty of fitness for a particular purpose. PowerBoss assumes no responsibility for any special, incidental or consequential damages.

This limited warranty is applicable only in the U.S.A. and Canada, and is extended only to the original user/purchaser of this product. Customers outside the U.S.A. and Canada should contact their local distributor for export warranty policies. PowerBoss is not responsible for costs or repairs performed by persons other than those specifically authorized by PowerBoss. This warranty does not apply to damage from transportation, alterations by unauthorized persons, misuse or abuse of the equipment, use of non-compatible chemicals, or damage to property, or loss of income due to malfunctions of the product. If a difficulty develops with this machine, you should contact the dealer from whom it was purchased.

This warranty gives you specific legal rights, and you may have other rights, which vary from state to state. Some states do not allow the exclusion or limitation of special, incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above exclusions and limitations may not apply to you.
